

Open Calls School year 2024-2025

ENSEA is launching its call for applications to join the engineering degree program for 2024-2025 academic year.

Our three-year program delivers a Master's degree in electronics, computer science, biomedical engineering or telecommunications (depending on the selected study track) and the title of French engineer.

It is possible to join our program for an academic mobility of one or two semesters (exchange mobility) or for two years (graduating mobility).

Applications must be sent to ri@ensea.fr by **April 12, 2024**, at the latest.

All information and documents to be provided on:
<https://www.ensea.fr/en/free-movers-827>

Eiffel scholarship program

ENSEA is involved in the process of awarding the Eiffel Scholarship, a program that allows excellent students from humble backgrounds to benefit from a scholarship for their studies in France.

Documents to be provided at the Master's level:

- Photocopy of your identity card
- Curriculum Vitae (2 pages maximum)
- Diplomas and ranking
- Language certificate or diploma (if applicable).
- Transcripts from the last three years referring to an academic career in France and abroad.
- Professional project
- In the case of a bidiploma (obtaining a double degree), the institution must attach the agreement and specify awarding other terms of the procedure implemented between the institutions.
- The training program and its complete calendar

More information on: <https://www.campusfrance.org/en/france-excellence-eiffel-scholarship-program>

Applications must be sent to ENSEA at ri@ensea.fr by **December 1st, 2023**

Label Bienvenue en France

Improving the quality of the reception of international students is a priority at ENSEA.

Our students can benefit from the following facilities:

Témoignages de nos étudiants

Juana, from Argentina:

"I was part of the international TD, which was made up of half French students and half international students. I met lots of people of different nationalities."

Maryna, from Ukraine:

"Cergy is a quiet town very close to Paris!"

Nicolas, from Colombia:

"I belong to several associations and have taken part in a lot of events!"

John, from USA:

"It's a great experience! I love French cuisine! I've tasted foie gras, I love snails."

Jingqiu from China:

"FIP (Foreign Integration Program Association) is the best association in the world!"
